

## Lebanon Recreation Youth Soccer

Hello, my name is Jeff Short. I am the director for the Lebanon Recreation Youth Soccer program. We play in the Lebanon Valley Youth soccer League. LVYSL has a league web site at [lvysl.vicid.net](http://lvysl.vicid.net).

Our teams play in the surrounding area, e.g. Annville, Myerstown, Northern Lebanon, Iona, Palmyra, and so on. The Lebanon club has been around since the 80's and I have been with the program for about 10 years. I have just finished my first year as director.

Our mission is to teach Lebanon children the sport of soccer along with the pride of being part of a team, and sportsmanship. We are not funded by the city of Lebanon; all our funds come from sign up fees and fundraisers. The costs we have are field rental from the city, paint for the fields, uniforms, balls, and we must also maintain the fields.

The league we play in was started in 1967, since then Lebanon has had 5 league championships. 4 boys' teams and 1 girl's team have won championships. The 2009 girls team was the first female team to win a championship for Lebanon.

We would like to invite the Harding soccer academy players to join our program. If you have any question you can call me at 717-507-3610 or my home phone 717-270-1207.

Thank You  
Jeff Short  
LRYS Director
