Envirothon Results:
 5 teams attended the Lebanon County Envirothon which was the second most teams in the county. There was a total of 28 teams. Our senior team of **Mark Pyles, Cameron Martin, Tyler Downs, and Jacob Cramer**-10th grade, came in 4th place overall and only 18 points (out of 500 total) separated 1st and 4th. They were also recognized for scoring 1st place on the Wildlife portion of the test (this is the first time this has happened since I have been teaching here). Another team finished 9th and two more teams were in the top 14. Please congratulate these students, when you see them, for a job well done.

School Calendars - As a cost saving measure, our district will no longer be mailing the district calendar to every family. During this transition, we will have a limited number of printed calendars at each building. If you need a printed copy, please pick one up in the office of your child’s school in early August. Call first to ensure that they have arrived.
