## 115. CAREER AND TECHNICAL EDUCATION

The Board shall provide a program of career and technical education in order to:

1. Prepare students for employment as skilled workers or technicians in recognized, new and emerging occupations.
2. Prepare students for enrollment in postsecondary education programs.
3. Assist students in choosing career pathways.

The Board shall ensure that all students and parents/guardians are informed of the student's rights to participate in career and technical education programs and courses and that students with disabilities enrolled in such programs are entitled to services under state and federal laws and regulations.

All students participating in career and technical programs sponsored or supervised by the Board shall be considered regularly enrolled in district schools and shall be subject to Board policies and district administrative regulations and rules.

The Board shall support a program of career and technical education which may include:

1. District students attending the Lebanon County Career & Technology Center for participation in a cooperative program of career development.
2. Enrollment of students in a program of career and technical education outside this district, provided that such program is not offered in this district and enrollment has been approved by the parent/guardian of the student.

Students and parents/guardians shall be informed that admission to career and technical education programs is accessible to regularly enrolled district students, in accordance with established criteria for attendance.
