Evergreen, everblue, as it was in the beginning, we've got to see it through. Oh, evergreen everblue, at this point in time, it's up to me, it's up to you.

Amazon is calling, "Help this planet earth," with voices from the jungle, "Help this planet earth." Hear the tree that's falling, "Help this planet earth." Rainforests are crying, "Help this planet earth to say evergreen, everblue. As it was in the beginning, we've got to see it through. Oh, evergreen, everblue, at this point in time, it's up to me, it's up to you.

Ocean's wave is rumbling. "Help this planet earth," with voices from the seaway, "Help this planet earth." Water's for the drinking, "Help this planet earth. Beluga whales are singing, "Help this planet earth to stay evergreen, everblue. As it was in the beginning, we've got to see it through. Oh, evergreen, everblue, at this point in time, it's up to me, it's up to you.

Evergreen, everblue, as it was in the beginning, we've got to see it through. Oh, evergreen everblue, at this point in time, it's up to me, it's up to you. Help this planet, help this planet, help this planet earth.

“Old Lebanon High”

Here's to dear old Lebanon High,
Here's to her red and blue,
Here's to her representatives,
Her valiant sons so true.
Here's to the proud old flag she flies,
Red and Blue with L.H.S.
All of our toasts, and not to boast,
Are for Lebanon High's success.

Oh dear old High, old Lebanon High,
The school we can't forget;
Those student days in Lebanon High
Around about us yet.
Old Lebanon High, her red and blue,
All through the many years,
That cup of youth so good, so true,
Will fill our eyes with tears.

A special thank you to our music and art students and to everyone who participated and attended today's event.

The butterflies for this event were provided through an anonymous donor to the Cedar Foundation.
