## **211. STUDENT ACCIDENT INSURANCE**

### **Purpose**

The Board recognizes the need for insurance coverage for unforeseen accidents which may occur to students in the course of attendance at school or student participation in the athletic, extracurricular, and co-curricular programs of the schools.

### **Authority**

The Board will maintain insurance coverage by a qualified insurer over and above the first responsibility of family coverage and at no cost to the student for injury resulting from accidents sustained while participating in athletic, extracurricular, and co-curricular programs of the school.<sup>1</sup>

The Board will provide parents/guardians the opportunity to purchase insurance coverage, at no cost to the Board, for injury to the students resulting from accidents in any activity during school hours, while traveling to and from school, and while participating in any school-sponsored activity. The premium shall be paid by the parents/guardians. School-day and 24-hour coverage plans shall be offered for purchase when available from qualified insurers.

### **Delegation of Responsibility**

The Superintendent shall:

1. Prepare specifications and secure suitable coverage from qualified insurance carriers for recommendation and Board consideration;
2. Notify all students and parents/guardians of students who may be eligible for insurance; and
3. Ascertain that, where the Board assumes the full cost of insurance, each eligible student is properly insured.
