914. RELATIONS WITH INTERMEDIATE UNIT

Authority

Each school district has an opportunity to participate in the services and programs offered by the assigned intermediate unit.¹

It is the policy of this Board that cooperation and communication be maintained with Lancaster-Lebanon Intermediate Unit Number 13 to ensure maximum effectiveness of programs and services.

The Board shall annually review district programs that involve intermediate unit services and make whatever determinations such a review suggests. This review will normally take place prior to the district's approval of the proposed intermediate unit budget.²

In order to maintain a constructive relationship with the intermediate unit, the Board member elected by the Board is designated as the official liaison between the district and Lancaster-Lebanon I.U. Number 13.³

Delegation of Responsibility

The duties of the Board representative are to ensure that the Board receives the necessary information and data that will lead to sound and valid judgments regarding decisions that involve participation by the district in the various programs offered by the intermediate unit.
