Authority

The Board shall supply each staff member and student with the supplies and equipment that are deemed necessary for implementation of the approved educational program.¹

The Board may require that students provide certain supplies for participation in co-curricular and extracurricular activities.

Guidelines

When individualized and non-reusable clothing or equipment is necessary for reasons of safety or health, students shall be required to provide their own clothing or equipment, which shall meet standards set by the school. Such standards shall be reasonably related to the considerations of safety, health and protection of property.²

When provision of instructional supplies imposes a financial hardship on a student, the school district will assume the cost.

When students prepare useful items they are permitted to keep, they shall pay the district the cost of the materials used.

Staff and/or students who lose or damage instructional supplies, books, learning materials, computers, iPads and related hardware, beyond normal wear and tear, shall be held responsible for the cost of the lost or damaged material(s).
